

RESOLUTION OF POST-DOCTORAL DIPC POSITIONS 2018

Resolution of the President of the *Donostia International Physics Center* Foundation, of May 4th 2018, by which a research position is awarded.

The DIPC Foundation opened a selection procedure for filling a post-doctoral research position within the project entitled “Functional materials synthesized by surface-supported chemistry under vacuum” (Reference 2018/13).

The Technical Evaluation Committee designed for this purpose evaluated the *curricula* of the researchers applying for this call and raised its proposal.

In view of the proposal raised by the Technical Evaluation Committee and approved by the Executive Committee on May 4th 2018,

I RESOLVE

To assign to James Lawrence, with a degree in Chemistry by the University of Warwick (UK), the following post-doctoral position at the *Donostia International Physics Center* Foundation,

Project: Functional materials synthesized by surface-supported chemistry under vacuum

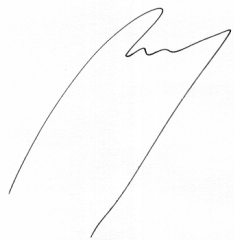

Duration of the contract: 1 year contract with the possibility of a 2/3-year extension contingent upon performance and funding

Tentative starting date of contract: November 1st 2018

Principal Investigator: D. G. de Oteyza

** The final implementation of this resolution is conditioned to the obtention of a PhD degree before November 1st 2018.
